SHOWDAY RULES & REQUIREMENTS

ON STAGE TECH REHEARSALS:

A great chance for parents who are backstage to watch and enjoy. A full schedule will go out specifying each group's rehearsal times. We ask all families to arrive on time as we have a strict schedule to stick to. Students that miss their onstage performance time will not have the opportunity to practice on stage again.

Students are to wear rehearsal gear for these rehearsals and bring WATER & SNACKS if needed.

ARRIVING:

All students and backstage parents are to enter via the STAGE DOOR on PASCOE VALE ROAD. Please tick your name off at the door and find where your change area is located.

CHANGE ROOMS:

All students will be allocated a CHAIR backstage to use as their change space. Each group will have a PERSON IN CHARGE, that will be confirmed at a later date. Please listen to the helpers on the day, they are all volunteering to ensure the concert runs as smoothly as possible.

CONCERT TIME:

All families will receive a coloured wrist band. This will be your ticket/entry to get into the change rooms.

BEFORE SHOW

Enter via the stage door and sign in

Find your allocated change room and assist with set up.

If you are a group helper, check in with our runner MISS EMMA and she will set you up.

If watching the concert or not staying backstage, you can stay up to the 15 minute call at which time you will need to head out to find your seats.

INTERVAL

Parents are allowed into the change room to assist with changes/check in on students.

END OF SHOW

One parent is allowed into change rooms to assist with pack up.

Students will be released into the foyer 1 group at a time (youngest to oldest).

Parents will be requested to sign out with the group helper before leaving.

BACKSTAGE RULES:

1. The Clocktower Centre has a **strict ALCOHOL FREE ZONE** backstage. If this is broken they will stop the performance and the entire school will be requested to vacate the venue. It is important for us to relay this on so that we are all aware of this prior to the performance. The Clocktower Centre does have a bar in the Foyer area, but please do not bring alcoholic drinks BACKSTAGE or bring any from home. We would hate to have our concert day spoiled/canceled because of this.
2. Remember to keep noise to a minimum backstage as the noise travels very easily from backstage to the audience.
3. NO PARENTS SIDE STAGE unless cleared by a director.
4. **DVDS & PHOTOS: NO FILMING or PHOTOS during the actual show is ALLOWED from the Audience.** *This is enforced due to child protection laws & CLOCKTOWER ushers WILL ask you to delete footage and escort you out of the building if you are caught!* Professional photographers will be taking stage photos of your child and viewing will be available shortly after to purchase.
5. Please stay in your change area until the STAGE RUNNER comes to get you. We cannot wait for students who have run off, which may result in missing the show.
6. We ask students to bring snacks and water, and for the younger students to bring a book, or colouring in, to occupy their time, as there is a lot of waiting backstage. A screen will be set up in the main area for students to watch the concert.
7. Tinies will be finished by interval and allowed to leave, however, they are more than welcome to stay and join in the finale bows.
8. We ask that no more than one parent per student comes into the change room.

Above all else, we are all about making the concert as special as we can for the students who have worked so hard all year for this performance. We would love to have them perform to a full audience, so we encourage all families to ask as many family and friends to support the students and the school, to make this a great show.
